**GLOBAL NOTES AND STATEMENT OF  
LIMITATIONS, METHODS, AND DISCLAIMERS  
REGARDING THE CREDITOR LIST  
FOR THE PUERTO RICO PUBLIC BUILDINGS AUTHORITY**

**Introduction**

1. The Puerto Rico Public Buildings Authority (“PBA”), with the assistance of its advisors, herewith files its list of creditors (the “Creditor List”) with the United States District Court for the District of Puerto Rico (the “District Court”), pursuant to section 924 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007(a) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), made applicable to PBA’s Title III Case (as defined below) by sections 301(a) and 310 of the *Puerto Rico Oversight, Management, and Economic Stability Act* (“PROMESA”), respectively.
2. These *Global Notes and Statement of Limitations, Methods, and Disclaimers Regarding the Creditor List for the Puerto Rico Public Buildings Authority* (the “Global Notes”) pertain to, are incorporated by reference in, and constitute an integral part of, the Creditor List. Any party reviewing the Creditor List should refer to, consider, and consult the Global Notes in connection with such review.

**Background**

3. On June 30, 2016, the Financial Oversight and Management Board for Puerto Rico (the “Oversight Board”) was established under PROMESA section 101(b). On August 31, 2016, President Obama appointed the Oversight Board’s seven voting members.
4. Pursuant to PROMESA section 315, “[t]he Oversight Board in a case under this title is the representative of the debtor[s]” and “may take any action necessary on behalf of the debtor[s] to prosecute the case[s] of the debtor[s], including filing a petition under section 304 of [PROMESA] . . . or otherwise generally submitting filings in relation to the case[s] with the court.”
5. On September 30, 2016, the Oversight Board designated PBA as a “covered instrumentality” under PROMESA section 101(d).
6. On September 27, 2019 (the “Petition Date”), the Oversight Board issued a restructuring certification pursuant to PROMESA sections 104(j) and 206 and filed a voluntary petition for relief for PBA in the District Court pursuant to PROMESA section 304(a), commencing a case under title III thereof (“PBA’s Title III Case”). Pursuant to PROMESA section 315(b), the Oversight Board is PBA’s representative in PBA’s Title III Case.<sup>1</sup>

**Global Notes**

7. The Creditor List includes the information contemplated by Bankruptcy Code section 924 and Bankruptcy Rule 1007(a), made applicable by PROMESA sections 301(a) and 310, respectively, as qualified by the assumptions, explanations, and reservations of rights set forth below.
8. Unless otherwise stated, all claims listed in the Creditor List are general unsecured claims. No claim priorities are accorded recognition under PROMESA except for those claims eligible for priority

---

<sup>1</sup> For the avoidance of doubt, unless otherwise provided in PROMESA, the Oversight Board can perform any action on behalf of PBA as its representative in Title III (including when the Oversight Board is not specifically referenced in connection to such action herein).

under Bankruptcy Code section 507(a)(2), which is made applicable to PBA's Title III Case by PROMESA section 301(a). With respect to any secured claims identified by PBA, the value of the collateral, if any, securing the claim and the amount of any unsecured deficiency claim are undetermined, and PBA reserves all rights with respect thereto.

9. PBA historically has closed its books at the end of its fiscal year on June 30. The audit process is complex and time consuming. Delays in invoicing, reconciliation, or accounting for outstanding invoices and payments in the PBA financial system also impact the amounts identified in PBA's books and records at any given point in time. Accordingly, in many cases, PBA cannot be certain that it has identified its precise liability to a specific creditor as of the Petition Date, and reserves all rights related thereto. Where possible, PBA has provided the claim amount as of the Petition Date, unless otherwise specifically noted.
10. The financial information disclosed herein was not prepared in accordance with federal securities laws or other applicable non-bankruptcy laws or in lieu of complying with any reporting requirements thereunder. Entities trading in or otherwise purchasing, selling, or transferring claims against PBA should evaluate this financial information in light of the purposes for which it was prepared. PBA and the Oversight Board, as PBA's representative, are not liable for, and undertake no responsibility to indicate, variations between any information and reports prepared (a) for securities law disclosure purposes, and (b) for any evaluations of PBA based on this financial information or any other information.

#### 11. Amendment and Reservation of Rights

- a. While PBA and the Oversight Board, as PBA's representative, have exercised best efforts to ensure the Creditor List and other information are accurate and complete, the Creditor List is based on information known at the time of its preparation and inadvertent errors or omissions may exist. In addition, the discovery of conflicting or subsequent information could cause a material change to the Creditor List. Moreover, because the Creditor List contains unaudited information that is subject to further review and potential adjustment, there can be no assurance the Creditor List is wholly accurate and complete. Accordingly, PBA and the Oversight Board, as PBA's representative, reserve the right to amend, supplement, or otherwise modify the Creditor List from time to time, in all respects, as may be necessary or appropriate to recharacterize, reclassify, recategorize, re-designate, add, or delete items reported in the Creditor List at a later time as is necessary or appropriate as additional information becomes available. Without limiting anything else expressly reserved herein, PBA and the Oversight Board, as PBA's representative, reserve the right to dispute, offset against, or assert defenses to, any claim reflected in the Creditor List as to amount, priority, liability, or classification.
- b. Nothing contained in the Creditor List shall constitute a waiver of rights with respect to PBA's Title III Case, including, without limitation, issues involving claims, the validity, extent, or perfection of any lien, substantive consolidation, defenses, equitable subordination, recharacterization, assumption or rejection of any executory contracts or unexpired leases, and/or any causes of action arising under chapter 5 of the Bankruptcy Code, made applicable by PROMESA section 301(a), and other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in these Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.
- c. In no event shall PBA, the Oversight Board, as PBA's representative, or their respective agents, attorneys, and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against PBA or damages to business reputation, lost business,

- or profits), whether foreseeable or not and however caused, even if PBA, the Oversight Board, as PBA's representative, or their respective agents, attorneys, and financial advisors are advised of the possibility of such damages, arising out the inclusion or omission of any claim in the Creditor List.
- d. Except as otherwise ordered by the District Court, PBA and the Oversight Board, as PBA's representative, reserve their right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset for the benefit of an entity or person listed in the Creditor List. PBA and the Oversight Board, as PBA's representative, reserve all rights to dispute or challenge the secured nature or priority of any such claim or the characterization of the structure of any such transaction or any document or instrument related to such claim as well as any proof of claim filed by a purported creditor.
  - e. PBA files the Creditor List without prejudice to or waiver of the Oversight Board's rights pursuant to PROMESA section 305, and nothing herein is intended to, shall constitute, or shall be deemed to constitute the Oversight Board's consent, pursuant to PROMESA section 305, to the District Court's interference with (a) any of the political or governmental powers of PBA, (b) any of the property or revenues of PBA, or (c) PBA's use or enjoyment of any income-producing property.

### General Assumptions

- 12. Unaudited. The books and records and financial statements of PBA utilized in the preparation of the Creditor List are unaudited.
- 13. Currency. All amounts are reflected in U.S. dollars, unless otherwise indicated.
- 14. As of Information Date. The information provided herein, except as otherwise noted, represents the data of PBA as of the close of business on September 27, 2019.
- 15. Totals. While PBA made good faith efforts to list all known amounts for each creditor in the aggregate, all creditor relationships may not have been identified. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- 16. Undetermined Amounts. The description of an amount as "undetermined" is not intended to reflect upon the materiality of such amount.
- 17. Confidentiality. To ensure confidentiality of personal information, all address information for individuals has been redacted from Schedule C — Employee Benefits and Schedule D — PBA Act 70 and Act 211-2015 Obligations. In addition, PBA has made best efforts to redact address information for individuals included in Schedule B — Trade Vendor Obligations.
- 18. Claims Description. Any failure to designate a claim listed in the Creditor List as "disputed," "contingent," or "unliquidated" does not constitute an admission by PBA that such claim is not "disputed," "contingent," or "unliquidated" or that such claim is not subject to objection. PBA reserves the right to dispute or to assert setoff rights, counterclaims, or defenses to, any claim reflected on the Creditor List as to amount, liability, priority, or classification, or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated," whether by amending the Creditor List or in another filing. Additionally, PBA reserves its right to object to any listed claims, including, without limitation, on the grounds they have been satisfied. Listing a claim does not constitute an admission of liability by PBA, and PBA reserves the right to amend the Creditor List accordingly.

19. Satisfied Claims. The identification herein of any creditor or claim amount does not constitute an admission by PBA or the Oversight Board, as PBA's representative, that PBA has any ongoing liability to any party. PBA may have satisfied certain claims identified in the Creditor List in whole or in part since the Petition Date or may satisfy such claims in whole or in part in the future.
20. Schedule Classification. The Creditor List divides PBA's potential creditors and claimants into 9 separate schedules (collectively, the "Schedules"), as follows:

Schedule	Classification
A	Long Term Debt Obligations
B	Trade Vendor Obligations
C	Employee Obligations
D	Act 70 Obligations
E	Act 211-2015 Obligations
F	Litigation and Similar Claims
G	Liabilities to Banks and other Agreement Obligations
H	Tax-related Obligations
I	Intragovernmental Obligations

The foregoing classifications are used for convenience of presentation and are not intended to be, and shall not be deemed to be, dispositive of the nature of any particular claim or obligation listed in any schedule.

#### **Summary of Schedules**

21. The Schedules are preceded by a summary that identifies, with respect to each Schedule, the aggregate estimated amount of the claims therein (if known) and the percentage that these liabilities represent of PBA's total estimated liabilities on all of the Schedules.

#### **Schedule A – Long Term Debt Obligations**

22. Schedule A lists the long-term bond obligations of PBA. Schedule A identifies the (a) original principal amount, year, and series of the obligation; (b) whether PBA considers the obligation secured or unsecured; (c) the amount of principal and interest outstanding as of the Petition Date; and (d) the identity and capacity of any trustee or similar entity with respect to the obligation.
23. The description provided in Schedule A is intended only to be a summary. Reference to the applicable bond agreements and related documents is necessary for a complete description of the bonds. Nothing in these Global Notes or the Schedules shall be deemed a modification or interpretation of the terms of such documents.
24. The balances listed for each series is as of September 30, 2019. For these reasons, PBA has categorized these claims as contingent and unliquidated.

#### **Schedule B – Trade Debt Obligations**

25. Schedule B reflects all trade liabilities recorded in PBA's financial system as of September 30, 2019. Accordingly, Schedule B may inadvertently include postpetition liabilities. Further, there may be additional unrecorded invoices or amounts due as of September 30, 2019, which may include prepetition liabilities.
26. Pursuant to the authority granted to the Oversight Board under PROMESA section 305, and the

non-applicability of Bankruptcy Code section 363 to PBA's Title III Case, PBA may have satisfied some or all of its prepetition obligations to certain trade vendors since the Petition Date, or may do so in the future, which payments are not reflected in Schedule B. In addition, the amounts identified as liabilities of PBA on Schedule B may include checks that PBA has issued but the applicable payee has not yet presented for payment.

27. For these reasons, and out of an abundance of caution, PBA has categorized each of the obligations identified in Schedule B as contingent and unliquidated.

#### **Schedule C – Employee Obligations**

28. Since the Petition Date, PBA has paid, and intends to continue to honor and pay, all accrued obligations for wages and salaries. Accordingly, except as specifically identified elsewhere in Creditor List, PBA believes that it has satisfied or will satisfy all prepetition claims of active employees for wages and salaries.
29. Schedule C represents the accrued vacation and sick leave benefit for each active PBA employee as of September 30, 2019. Accordingly, Schedule C may inadvertently include postpetition liabilities. For these reasons, and out of an abundance of caution, PBA has categorized each of the obligations identified in Schedule C as contingent and unliquidated.

#### **Schedule D – PBA Act 70**

30. Schedule D lists former PBA employees entitled to early retirement benefits and those who have elected to receive economic incentives for voluntary employment termination. PBA funds the employee and employer contributions to the Employees Retirement System of the Government of the Commonwealth of Puerto Rico (“ERS”) and pays the corresponding pension obligation until the employee complies with the age requirements and 30 years of credited service in ERS.
31. The balances listed in Schedule D are as of September 30, 2019. Accordingly, Schedule D may inadvertently include postpetition liabilities. For these reasons, and out of an abundance of caution, PBA has categorized each of the obligations identified in Schedule D as contingent and unliquidated.

#### **Schedule E – PBA Act 211-2015**

32. Schedule E lists former PBA employees entitled to pre-retirement benefits under Act No. 211-2015, which was implemented for the purpose of providing government agencies and municipalities with a mechanism to help them design and adopt a program that would allow them to generate savings in payroll and fringe benefit costs, as well as to afford employees who enrolled in the retirement systems prior to April 1, 1990, the opportunity to receive certain benefits until they reach the optional retirement age, which for most people is 61 years.
33. The balances listed in Schedule E are as of September 30, 2019. Accordingly, Schedule E may inadvertently include postpetition liabilities. For these reasons, and out of an abundance of caution, PBA has categorized each of the obligations identified in Schedule E as contingent and unliquidated.

#### **Schedule F – Litigation and Similar Claims**

34. Schedule F lists various litigation claims and judgments asserted against PBA, as well as demands that fall short of litigation, but may ultimately result in litigation against PBA by employees, vendors, citizens, and other parties. Similarly, Schedule F lists litigation claims that may seek non-monetary relief.

### **Schedule G – Liabilities to Banks and Other Agreement Obligations**

35. Schedule G lists the total lines of credit with the Government Development Bank of Puerto Rico (“GDB”) as of September 30, 2019. The GDB, as fiscal agent and bank of the Commonwealth, has extended lines of credit to PBA to finance capital improvement projects and operational deficits. As of September 30, 2019, PBA has an outstanding total obligation of approximately \$138,600,000. Out of an abundance of caution, PBA has categorized these obligations as contingent and unliquidated.

### **Schedule H – Tax Related Obligations**

36. Schedule H contains amounts due to the Internal Revenue Service (“IRS”).
37. Some of these obligations may have been satisfied partially or in full postpetition. For these reasons, and out of an abundance of caution, PBA has categorized each of the obligations identified in Schedule H as contingent and unliquidated.

### **Schedule I – Obligations to Other Agencies**

38. Schedule I lists amounts due to other agencies for various cost sharing and other pass through agreements. Many of these obligations may have been satisfied partially or in full postpetition. For these reasons, and out of an abundance of caution, PBA has categorized each of the obligations identified in Schedule I as contingent and unliquidated.
